Dear Mr. Waite,

On March 6, 1981 we received your Notice to conduct exploration activities on mining claims located in T. 5 S., R. 4 W., Section 25, SLBM. Your Notice was accepted on March 21, 1981, and was assigned serial number UTU-69183.

A recent inspection of the Notice area revealed that all surface disturbing activities had been satisfactorily reclaimed. We are therefore closing the subject case file. No further surface disturbance is permitted under this Notice.

If you have any questions, or require additional information, please contact Larry Garahana of my staff at (801) 977-4371.

Sincerely,

David H. Murphy
